Tips for Curriculum Night and Goal Setting

Preparations for Curriculum Night

- Explain rules, procedures, and grading policies
- Provide handouts, flyers, pamphlets, or prepare a brief PowerPoint presentation to inform parents
- Display textbooks
- Encourage parents to sign up for Skyward
- Encourage parents to attend parent-teacher conferences
- Distribute business cards
- Be polished and professional

Goal Setting

- Set approximately three goals
- Seek department chair advice/approval of goals
- Suggestions for goals are as follows: Infusing technology into teaching, engaged learning activities, reading/writing across the curriculum, the three R's

“Teachers teach more by what they are than by what they say.”
